# The Secret Room

She makes  
"Pegasee-kun",  
her downy ally and  
Pegasee Knight,  
transform into  
"Pegasee Knight"  
with her  
magic wand.

"Daughter  
of Magic,  
Lady Lala"  
— That is...

a so-called  
"magical girl"  
series  
that was  
broadcasted  
11 years ago  
from now.

On top of that,  
whenever  
Pegasee-kun,  
who would fight  
hard battles,  
kneels and kisses  
her hand, Lala turns  
into "Lady Lala"  
and helps him.

and it's a story of  
the heroine and  
elementary school  
girl Kishimoto Lala  
battling demons of  
hell that collect  
girls' "pure hearts".

In the end,  
they finish the  
opponent off with  
their combined  
"Loveheart  
Rush"—

From Suburbs to The Masses: "Clash of Honor" in Japan

Y... YOU TWO WATCHED THE DEATHS?

MASTER ALREADY KNOWS A GREAT DEAL, RIGHT, MASTER?

NO WAY! WE TALKED ABOUT THIS HERE BEFORE, DIDN'T WE?

KUJIKAWA-KUN WAS SUPER COOL, RIGHT-O MASTER?

GREAT!

KUJIKAWA IS...

HE WAS MENTALLY WEAK AND HIS RESULTS HAD THE TENDENCY TO FLUCTUATE BADLY,

BUT AFTER LAST SEASON, HE SUDDENLY STABILIZED AND WAS ABLE TO DO THE QUADRUPLE JUMP, RIGHT?

His figure is beautiful, his strongest point is his flawless jump style, at last year's All Japan, he was defeated by Takanashi but he had the better technical score, during the Junior era I felt that his skates were a little stiff but 2 years ago after he got his current trainer his landings improved beyond recognition, something something

HE KNOWS MORE THAN I DO...

BECAUSE  
HE'S USING  
THAT  
"MAGIC" ...

... THAT  
IS

**"Have him  
regain his  
powers!"**

**"He is my  
knight."**

but  
that  
was  
just  
child's  
play.

Before the  
warships, I'd  
always cast  
a spell on  
Kakoppa who'd  
get nervous  
easily...

Kakoppa  
and I are  
childhood  
friends who  
went to  
the same  
skating  
class,  
and we  
often  
played  
and  
swished  
our  
beloved  
"Lulu".

The manager Moriyama-san, who noticed the spell's 'secret'.

WHAT'S THAT? WE CAN USE IT!

SCHEID, WITH A GARROD VOICE?

tried it out with herself and various people but it didn't work.

## SOME TRANSLATION NOTES

THE SIGNATURE PHRASE IN JAPANESE USES *SHININ* WHICH CAN MEAN THROBBING (S&S HEADACHE), STRONG (S&S SEAT OF AUDIO), AND ALSO HARD (S&S PENIS), HENCE THE COMMENT ON HOW AWKWARD IT IS FOR ELEMENTARY-SCHOOL GIRL LALA TO SAY IT.

I WENT WITH "THROB" SINCE IT KINDA SOUNDS LIKE IT COULD BE MISTAKEN FOR INFLUENZO, BUT YEAH APOLOGISE THAT THE JOKE DIDN'T COME OFF AS WELL AS IN THE JAPANESE VERSION OTL

"BEST JEANIST AWARD" IS AN ANNUAL AWARD THING IN JAPAN, GIVEN TO CELEBRITIES (USUALLY JAPANESE) WHO LOOK GOOD IN JEANS

THE JOKE HERE IS THAT CHITOSE STARTS SPEAKING HER DIALECT OUT OF NOWHERE, CONFUSING THE FLUCK OUT OF SAWADA WHO'S USED TO HEARING HER SPEAK STANDARD JAPANESE HAHA.

WHAT SHE SAID:  
"KOKOPPE, NACHTS SORO INNO."

STANDARD JAPANESE EQUIVALENT:  
"KOKOPPE, NACHTS SORO IM INO."

APOLOGIES FOR THE DELAY!

THANK YOU KIADARISE FOR OFFERING TO  
HELP OUT WITH THE CLEANING :D
